The Marriage License Bureau is prohibited from issuing a new license to couples that are currently married. Couples may renew their wedding vows at a church or wedding chapel. Churches or chapels may require you to bring a copy of your marriage certificate for proof of marriage before performing the renewal ceremony.

## General License Information

### Marriage License Requirements:

Requirements for U.S. citizens and non-U.S. citizens are the same. It is suggested that non-U.S. citizens check with your local officials for special documents that may be needed to ensure that your marriage will be recognized in your country.

Applicants must be a male and a female, at least 18 years of age, and not nearer of kin than second cousins or cousins of half blood, and not having a husband or wife living.

#### Examples of acceptable documents that can be used to obtain marriage licenses:

- Driver's License or State-issued Identification Card
- Foreign Government-issued Identification
- Passport
- Military Identification
- Certificate of Citizenship or Naturalization
- Permanent Resident Card

**Note:** IDs must reflect the full, correct name you desire on your marriage certificate.

**All documents must be originals; copies are not allowed. Documents must include photos.**

Social Security numbers are required on the Affidavit of Application for a marriage license. Those without knowledge of their Social Security number may be refused a marriage license. (It is recognized that non-U.S. citizens will not have a Social Security Number.)

### Blood Test:

There is no blood test and no waiting period after a license is issued.

Las Vegas Convention & Visitors Authority

### Marriage Ceremonies:

In order to have a legal marriage, a ceremony must be performed in the state of Nevada within one year from the date of issuance of the marriage license by any person licensed or authorized to perform ceremonies in Nevada. The ceremony may be performed in any wedding chapel, church or the civil marriage commissioner's office. These marriages are recognized throughout the world.

### Divorced Applicants:

Applicants are required to know the month, day, year, city and state of their divorce. The divorce must be final and filed with the court in the state or country granted. You are not required to bring the divorce decree.

Minor applicants, ages 16 or 17 (not yet age 18), must have the consent of a parent or legal guardian.

### License Fees:

The fee for a marriage license is \$60, if paid by cash, cashier's check or money order. The cost is \$65 if paid with American Express, Discover, MasterCard or Visa credit card. Debit cards are **not** accepted unless they are debit/credit cards.

### Apostilles:

Some countries may require a certified copy of your marriage certificate and an Apostille from the Nevada Secretary of State to finalize the marriage in your country. An Apostille may be obtained by contacting the Nevada Secretary of State by mail at:

Nevada Secretary of State  
Capitol Complex  
Carson City, Nevada 89701

# CITY OF LAS VEGAS PARKING INFORMATION

## City of Las Vegas Parking Meters

Multispace, as well as the traditional single-space parking meters, are available on downtown Las Vegas streets.

The multispace meters are tan-colored and pedestal-style and control several parking spaces. These meters take coins and credit/debit cards. Parking stalls for the multispace meters are indicated by pavement markings and are numbered. Drivers should locate the parking space number indicated on the curb or adjacent to their parked vehicle before making payment transactions at the multispace meter. For regular users, meter payments can be made by cellular phone when registered as an mPARK customer. To register, call 1-888-mPARKGO or 1.888.672.7546.

Traditional single-space parking meters take coins and a “cash key.” The cash key is an actual key that fits on any key ring. It is like a debit card with a pre-paid, pre-programmed cash value. For information on the “cash key” program, contact the city’s Parking Enforcement Unit at 702.229.6432.

Hours and days of operation for the parking meters vary. Visitors should refer to the information posted on the parking meter.
